Hello from the Rotherham Rotherham
Safer Neighbourhood Team,

The photograph on the front shows some of
the people working together in Rotherham Town
Centre to keep the area safe and clean.

Our Partnership team comprises Traffic
Enforcement, Rotherham Wardens, Police
Community Support Officers, Streetpride, and
Town Centre Management.

We aim to deal with a range of day to
day issues that can affect the Town Centre
including Anti Social Behaviour, Shoplifting,
litter, and fly tipping.

We are committed to making Rotherham
Town Centre a SAFE, welcoming CLEAN and
pleasant environment for all our businesses,
and visitors.
